

For the debut of the long-awaited USB Flash Memory, added to our wearable item lines.

the proper model is available in 2 different colors through the acrylic surface; gold and silver.

Express yourself with this product which can be used for many purposes; both business and private use.

Also, 3 different gadgets (i.e., resident software on a PC desktop) are equipped to be enjoyed on the desktop screen of your PC.

These gadgets are equipped with an alarm function with 4 types of its melody, same as that of our alarm clock (CZ-135), a calculator function, same as that of our card type calculator (LC-404), and an air purifier function with reappearing as the screen saver function on your PC, same as that of our air purifier (PA-101). You can select your favorite color from the color variations.

*For CZ-135, black, white, brown, and gold colors are available on the desktop screen.
